A World Of Babies Imagined

The creative, innovative, quasi-fictional design of both editions - 'imagined childcare guides' authored by ethnographers studying in a broad range of cultures, writing as if they are imparting knowledge to new parents as a childcare expert, such as a grandmother, midwife, or diviner - makes A World of Babies an enjoyable and impactful read for students and new parents alike.

A World of Babies: Imagined Childcare Guides for Eight ...

A World of Babies brings alive infant care practices around the world in the form of baby and child care manuals "written" by members of seven real societies. The information, while presented in an imaginative fictive format, is based on extensive research by anthropologists, psychologists, and historians.
