Beginning Of Year Assessment Hsp

Always make sure to review the assessments yourself before you assign them to students! It's important that the assessment is relevant to what you have taught your students and that the content is groomed for your classroom. Keep in mind, the beginning of the year is a great time to set up some pretests.

Formative Assessments to Kick Off the Year

Even though HSP is usually a short-lived illness, having HSP can be stressful for children and families. The appearance of the rash can be distressing to a child. Some children experience joint or abdominal pain intense enough to require admission to the hospital. In the first weeks of HSP, activities may be limited by joint or abdominal pain.

Educational Assessments for Pre K-12 - Pearson

End-of-the-Year Test - Grade 1 This test is quite long, so I do not recommend that you have your child/student do it in one sitting. Break it into parts and administer them either on consecutive days, or perhaps on morning/evening/morning. Use your judgment. This is to be used as a diagnostic test.
