Howard Zehr (1990), 'A Restorative Lens', in Changing ...

Crime victims have many needs, most of which our criminal justice system ignores. In fact, the justice system often increases the injury. Offenders are less ignored by this system, but their real needs -- for accountability, for closure, for healing -- are also left unaddressed. Such failures are not accidental, but are inherent in the very definitions and assumptions which govern our thinking ...

Zehr, Howard. Changing Lenses: A New Focus for Crime and ...

Republished from 2015. Looking back 25+ years to when he was writing his seminal work, *Changing Lenses*, Dr. Howard Zehr was not attempting to change the dominant paradigm of the criminal justice system. He was simply trying to provoke us to re-examine our assumptions and start a dialogue on what he saw as a retributive criminal justice system, one that cared little about the victim or the ...
