July | 2013 | Green Criminology

A variety of approaches and bodies of work now contribute to what can be described as “green criminology.” This article summarizes research on types of environmental crime and harm, as well as different eco-philosophical orientations and related justice-based approaches. It concludes with an example illustrating the ways in which these ...

Green Criminology and Environmental Crimes and Harms ...

Green criminology means different things to different people. Ostensibly ‘green criminology’ emerged in the early 1990s to describe a critical and sustained approach to the study of environmental crime. However, the tasks described by the term had in fact been undertaken well before the 1990s.
