### How to Clean Split Air Conditioners (with Pictures) - wikiHow

A ductless, or mini-split, air conditioner is a great solution for people who want to cool one room in their house without having to cool the whole house. It is also a great way to add air conditioning to an older house that is heated by a boiler and radiators without an existing system of forced-air heat ducts.A mini-split does essentially the same job a window air conditioner, but you can ...
