### The German Legal System And

Germany's legal system is a civilian system whose highest source of law is the 1949 Basic Law for the Federal Republic of Germany (which serves as the nation's constitution), which sets up the modern judiciary, but the law adjudicated in court comes from the German Codes; thus, German law is primarily codal in nature.

### Judiciary of Germany - Wikipedia

The Federal Republic of Germany has a written, codified federal constitution, known as the Basic Law (Grundgesetz). The federal states also have their own written and codified constitutions, although these are of minor practical importance, as federal law takes precedence over state laws ( Article 31, Basic Law ).

### Legal systems in Germany: overview | Practical Law

The law of Germany, that being the modern German legal system, is a system of civil law which is founded on the principles laid out by the Basic Law for the Federal Republic of Germany, though many of the most important laws, for example most regulations of the civil code were developed prior to the 1949 constitution. It is composed of public law, which regulates the relations between a citizen/person and the state or two bodies of the state, and the private law, which regulates ...
