The Holy Book Of Womens

The Holy Book of Women's Mysteries is a seminal text that contains invaluable information on Dianic witchcraft and spells, including everyday magick, sabbat rituals, and divination methods; a section on how vegetarian theories and politics relate to witchcraft and the feminine aspect; and a good deal of information on goddesses and how the patriarchal religions distorted old myths to serve their own needs. There are several unique and beautiful Rites of Passage for women and men that you don ...

This book is a classic in the category of women's spirituality. When reading, one needs to keep in mind when it was written. The women's movement had not yet combined in any way with spirituality and Z clearly was a path maker in helping women combine female centered spirituality with the feminist movement.
