## **The Inner World Of Trauma**

The Inner World of Trauma is a truly compelling, moving and important book. Kalsched shows that when a child is traumatised, or shamed for its genuine and healthy needs, a psychological defence system is constellated in the child's psyche, and the job of that

Donald Kalsched explores the interior world of dream and fantasy images encountered in therapy with people who have suffered unbearable life experiences. He shows how, in an ironical twist of psychical life, the very images which are generated to defend the self can become malevolent and destructive, resulting in further trauma
