### **The Isles A History Norman**

The Isles: A History is a 1999 narrative history book by Norman Davies.

### **The Isles: A History - Wikipedia**

Written by one of the most brilliant and provocative historians at work today, The Isles is a revolutionary narrative history that presents a new perspective on the development of Britain and Ireland, looking at them not as self-contained islands, but as an inextricable part of Europe.

### **The Isles: A History by Norman Davies - Goodreads**

"The Isles: A History" was the first title undertaken with Macmillan's, and diverged completely from everything done previously. 25 years of studying Poland had taught me that mainstream history is highly selective; just as so-called European historians habitually write about Germany and Russia while ignoring "the lands between", so English historians often discuss the British Isles, as if only England counts.
