I purchased a TOS
Trencin SN 40 B 16/24
X 60 lathe a while
back. It was purchased
new in 78 by a local
mill. The millwright
who ran this machine
tooled it out very well
and bought it at
auction when the mill
closed down. It had
been in storage for the
last ten years. It has a
16 inch Bison 4 jaw
and two 14 inch three
