Where China Meets India Burma

I would highly recommend "Where China
Meets India: Burma and the New
Crossroads of Asia" as an excellent, well-
written book about a little-known but
increasingly important part of the world.
China is looking for security in resources
and imports of energy and Burma
(Myanmar) and the Indian Ocean are
potential solutions; India is growing
rapidly and worried about its own
security in the Indian ...

Where China Meets India: Burma and the New Crossroads of ...

China and India have always been separated not only by the Himalayas, but also by the impenetrable jungle and remote areas that once stretched across Burma. Now this last great frontier will likely vanish - forests cut down, dirt roads replaced by superhighways, insurgencies ended - leaving China and India exposed to e

Where China meets India is an attempt to offer a nuanced portrait of Burma, especially of the paradox where a seemingly static country, subject to economic sanctions from Europe and the United ...

Where China Meets India by Thant Myint-U - the Guardian

Myint-U sees Myanmar's location between China and India as its trump card with only in-fighting between Myanmar's various warlords and Western interference being an obstacle. He couldn't have known this when he first wrote *When China Meets India* but only three months ago a great conference of all the dissidents signed an agreement to settle their differences.
