itself is derived from the Sanskrit cakra, meaning “wheel,” alluding to the vortex of swirling energy believed to reside in each chakra’s location. There are several different chakra systems, ranging between ...

## **What is Chakra? - Definition from Yogapedia**

The chakras remain a bit of mystery even to the most experienced of yogis. We talk about them a lot in our yoga bubbles, but oftentimes, we’re simply repeating what we’ve heard from somebody else. We tend to attribute our ‘high’ after a yoga class to the endorphins we all experience after a good workout, but this assumption, while reasonable, might be a little off base.
