You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone.

Accelerando Charles Stross

A 3 1/2 star book, downgraded to three because Stross ultimately doesn't deliver much more than a caffeinated theme park ride of the singularity. I doubt that Accelerando will ever be seen in quite the same way as the early cyberpunk books, but it is certainly similar in its hyperkinetic and chaotic creativity. Stross tosses in a billion and one tasty tidbits of near-future circum-singularity and presses the "Will it Blend?" button.

Accelerando (2005) by Charles Stross. Other authors: See the other authors section. Members: Reviews: Popularity: Average rating: Mentions: 2,955: 104: 3,239 (3,74) 91: The Singularity. It is the era of the posthuman. Artificial intelligences have surpassed the limits of human intellect. Biotechnological beings have rendered people all but extinct.

Accelerando by Charles Stross | LibraryThing

Stross takes the reader on a fast trip through post-modern Europe in the first third of the book, then halfway across the Solar System in the next third, and then into utterly unimaginable places from there, never losing his wicked sense of humor (and it is VERY wicked) or his acuity of vision in the posthuman, postsingularity, and ultimately postbiological future.

If you are in doubt about any proposed reuse, you should contact the author via: www.accelerando.org. Dedication. For Febrag, with love. Acknowledgements. This book took me five years to write – a personal record – and would not exist without the support and encouragement of a host of friends, and several friendly editors.

Accelerando - antipope.org

"Accelerando" is a creature of its time, and that time is the late 1990s. I spent most of the 90s on a kind of sabbatical from writing fiction (my first love), with my head stuck up the fundament of the software industry.

Accelerando - Charlie's Diary

Charles Stross' Accelerando is a tale about technological singularity spanning three generations, before, during, and after the evolutionary advancement of computer technology to not only vastly exceed normal human capacity, but to also create new forms of intelligence.

Accelerando (Audiobook) by Charles Stross | Audible.com

Bought this from Amazon a while ago and haven't as yet done a review. My bad. This is epic and ranks as one of my favourite Charlie Stross books. Accelerando represents near-future science fiction at its very best. Charles Stross takes an idea, and like a prop forward in a rugby game he holds tight and runs forward with it.

Accelerando: Amazon.co.uk: Stross, Charles: 9781841493893 ...

Post-infection cardiac damage found in 78% of recovering COVID19 patients. That's 78% of a cohort, average age 49, of whom 67% had recovered at home (ie. disease was not categorized as severe enough to need hospitalization). Cohort was normalized with respect to other risk factors relative to uninfected patients.

accelerando.org - Charlie's Diary

Charles Stross has written expansively on the concept of the Vingean Singularity, where the rate of technological advance increases so rapidly that the future cannot be foreseen. In Accelerando he charts the course of three generations of the Maxc family before during and after the singularity.

Accelerando book by Charles Stross

Stross's work has also been nominated for a number of other awards, including the John W. Campbell Memorial Award, Arthur C. Clarke Award, and the Hugo Award for Best Novel, as well as the Japanese Seiun Award.

Charles Stross - Wikipedia

Accelerando, aptly named, presents Charles Stross' view of a future not too far from the present rendered almost unrecognizable by the geometric progression of technology. At a rate of roughly one decade per chapter, Accelerando tracks the goings-on of an influential family before, during, and after the technological singularity.
