Advanced Accounting is intended for use in undergraduate and  
graduate accounting programs that include a course in advanced  
accounting as part of the curriculum. This book is especially  
written for advanced accounting courses in which an intuitive  
understanding of the material, in addition to accounting  
mechanics, is emphasized.

## **Advanced Accounting by Robert F. Halsey**

Advanced Accounting covers few topics, but digs deep into  
consolidation and Government accounting. Additional topics  
include not-for-profit, reporting, and certain financing activities.  
The instruction given is thorough, yet I have the same complaint  
I have for all advanced instruction texts.
