The Basics of American Government

A primary benefit of a bicameral system is the way it demands careful consideration and deliberate action on the part of the legislators. A primary drawback is that it is tougher overall to pass legislation and makes it extremely difficult to push through large-scale reforms.

Mr. Murray and Ms. Colter's U.S History and Government ...

The pros are that the United States is less bogged down in international process and can move more quickly to squelch conflict. The cons are that the United States, in acting alone, might offend other countries that would prefer everyone act together, and that the country might decide to go directly to military-based solutions rather than using diplomacy.
