Born of Illusion Series by Teri Brown - goodreads.com
Words could not express how excited I was when I finally got my hands on Born of Deception. Born of Illusion, the first novel was equally mesmerizing and pleasantly surprising, however, I cannot say the same for Teri Brown's newest. Anna Van Housen has always been one of my favourite protagonists ever since I met her in Born of Illusion. Born of Illusion reminded me a lot of the movies The Illusionist and The Prestige, which I loved! The story is set in New York City during the 1920s, and I was immediately immersed in the flapper drop-waist dresses and fashionable cloche hats. There is so much to love about Born of Illusion - I am a total fan.
