System is, almost a century after its initial conception, still one of the most widely-used scale methods for advanced violinists, and now also for violists, cellists, and bassists. This Carl Fischer edition has been transcribed for viola by Charlotte Karman, and is based on Max Rostal's expansion and revision of the violin version. As the full title suggests,

means the only in existence, but they have been the most widely used by violin students and teachers for many years. The systems are different in profound ways and each has valid applications for the modern violinist. Both Galamian and Flesch were master teachers, each from a long line of violin pedagogues.
