The courts above the trial court are called appellate courts. The federal system and most state systems have two appellate-level courts: a Court of Appeals and a Supreme Court. (Your state might have a different name for these courts!) Asking an appellate court to review a case is called making an appeal.

### Teacher's Guide

In India, we have an integrated judicial system, meaning that the decisions made by higher courts are binding on the lower courts. Another way to understand this integration is through the appellate system that exists in India.

Texas Democrats challenged the state's rules on voting by mail, which require those under the age of 65 to meet another eligibility requirement to qualify. Those 65 and older automatically qualify, as do those who are disabled, out of the county on both Election Day and "during the period for early voting by personal appearance," and "confined in jail, but otherwise eligible."
