- Once the ends are tied off, I like to have pairs of students make these. Working together, they alternate 10 reds with 10 white beads until they get to 100. Once there, I have them re-count to check and/or I have them put their bead string up against one I already have made to see if their sections match up with mine.

Step 1, Cut your paper. Cut long triangles out of magazines, coloured construction paper, wallpaper, etc. The base of the triangle will be the width of the bead and the longer the triangle is, the fatter the bead will become. The slender 1-inch (2.5cm) beads used in this method are made from 1-inch by 4-inch (2.5cm x 10cm) triangles, but 1/2-inch by 8-inch (1.27cm x 20cm) triangles would create fat 1 ...Step 2, Add your glue. Turn the triangle design-side down and apply a bit of glue to the ...

The art of paper bead crafting, however, has been practiced since the Victorian age. Women would gather together and make paper beads from leftover wallpaper. Their craft techniques were quite simple. After they rolled and glued the paper beads, the beads were then coated with beeswax and strung together to make beaded curtains and room dividers.
