Melodies of Mourning invites the reader to rethink the place of ecology in music and emotion and how emotions transcend cultural differences. It explores senses of the environment in the Northern Territory of Australia and how sentiments of place and belonging are performed in song. It argues that the environment is not just a mnemonic for singing and dancing but the basis of performing and embedding ritualised sentiment.

Jewish prayer relies heavily on music. Dating back at least to the times of the First Temple in Jerusalem, Levites had the responsibility of singing and playing instruments as part of the Temple service, which centered around sacrificial practices. With the exile of the Jewish people in 70 C.E., the focus of Jewish worship shifted from sacrifice to the recitation of texts.
