Hello everybody, I am attempting to communicate with a Modicon 984-685E using modsoft on a laptop running xp. I downloaded a program called direct io which is supposed to allow you to use modsoft with xp. With out direct io, the comm light on the processor would come on for a second then

# Download Free Modsoft Plc 984 685e User Guide

turn off and modsoft  
would just freeze up.

upgrade compatibility..  
Concept are  
independently built for  
compliance to IEC  
language and only  
compatible for some  
new PLC and that time,  
but this new PLC also  
compatible with  
ProWORX ...
