Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

## No Turning Back The History

Indeed as Stanford professor and award-winning author Estelle B. Freedman argues in her compelling book, feminism has reached a critical momentum from which there is no turning back. Freedman examines the historical forces that have fueled the feminist movement over the past two hundred years and explores how women today are looking to feminism for new approaches to issues of work, family, sexuality, and creativity.

Though it could have been a dry polemic, *No Turning Back* is, instead, an enthusiastic look at how and why feminist ideas have remained a part of the political landscape since their emergence. Freedman not only recognizes the complex processes of adaptation and redefinition that feminism has undergone, but proposes that this malleability is what has enabled the movement to withstand the test of time.

No such vexation has beset Addison during his career, but No Turning Back does lack the sparkle of his The Road to 1945. A wider resort to diaries would have introduced more colour; the quotations cited are sometimes too long, and are not always well integrated into the text; and there is a tendency towards cliché -

## **No Turning Back**

According to Estelle Freedman, author of No Turning Back: The History of Feminism and the Future of Women, the answer is a resounding NO. Freedman, a professor of feminist studies at Stanford University, was encouraged to author this volume when she failed to find for an acquaintance a single book that covered the various aspects of feminist scholarship.
