Political history - Wikipedia

Social history, often called the new social history, is a field of history that looks at the lived experience of the past. In its "golden age" it was a major growth field in the 1960s and 1970s among scholars, and still is well represented in history departments

power. The idea of the social contract is one of the foundations of the American political system. Origin of the Term. The term "social contract" can be found as far back as the writings of the 4th-5th century BCE Greek philosopher Plato. However, it was English philosopher Thomas Hobbes (1588-1679) who expanded on the idea when he wrote
