The Book of Drugs: A Memoir - Kindle edition by Doughty ...

The Book of Drugs is a 2012 memoir by the musician and songwriter Mike Doughty. The book details Doughty's struggles with drug addiction, his musical career, both before and during his time with the band Soul Coughing and during his solo career. The book was noted for its acerbic take on Doughty's Soul Coughing band mates, as well as its unflinching look at the damage caused by addiction.

The Book of Drugs - Wikipedia

The author half-seriously calls his book “just another drug narrative,” and it's true. There’s nothing about Doughty’s longtime love for pot, coke, heroin and Ecstasy that hasn’t already been superseded by hundreds of other rock-star druggies who eventually replaced compulsive drug use with some form of equally compulsive religious ...
