Willi Kunz Studio -- Image of the Studio

Typography is a powerful element in design. It has the ability to attract a reader from a great distance and captivate its audience. Through the relationship between space and the proportions of the different letterforms, the simplest piece of information can be transformed into a sophisticated message.

Typography And Design - Web.Search.Social

Inside Paragraphs is not the single source of typographic wisdom that some might be seeking, but it is a good companion to such stalwarts as Robert Bringhurst's The Elements of Typographic Style and Willi Kunz's duo Typography: Macro- and Microaesthetics and Typography: Formation and Transformation. (Students have to learn about indenting ...

Inside Cyrus Highsmith's New Book, a Typographic Classic ...

The father of modern typography, Emil Ruder is a type designer's hero even if they don't like Swiss Style. This is a phenomenal collectable as much as it is a reference manual. It is a piece of design history documented by the designer himself. Often difficult to find, this book is worth it if you appreciate type and layout design. ...
